Your Hourly Rate Formula

CALCULATE YOUR MINIMUM VIABLE HOURLY RATE

Monthly Expenses + Desired Profit ÷ Available Hours/Mo = Your Floor Hourly Rate

Session Pricing Benchmarks

1:1 IN-PERSON
$60–150 /hr
Premium rate. Best for established trainers with proven results.

SEMI-PRIVATE (2-4)
$40–80 /person
Per-person rate. Scale your hourly without adding hours.

GROUP CLASSES
$20–40 /person
Volume play. 10 clients × $30 = $300/hr total revenue.

ONLINE COACHING
$30–100 /mo
Recurring revenue. Low overhead. Unlimited scale potential.

Package Discounts That Protect Margins

10-Session Pack
10% OFF
Reward commitment. Client locks in value, you lock in revenue.

20-Session Pack
15% OFF
Best seller. Deep enough to see real results. Lower churn.

Monthly Unlimited
Set Cap
Cap sessions at 12–16/mo. Predictable revenue, clear boundaries.

$3,200/mo

Growth Roster
20 clients × 4 sessions/mo × $80/session
$6,400/mo

Software Shouldn't Be Your Biggest Expense

Most trainers pay **$100–$200/month** for coaching software — before they've served a single client. That's money coming straight out of your profit margin every single month, forever. There's a better model.
